City Clerk To Be Divested Of All Financial Duties Of City

New Baseball Field Introduced Saturday, May 18

The Little League sponsored Carnival was a huge success, thanks to everyone for their support and assistance.

Peter Cowell, president of Pony/Colt, announces the inauguration of the new Pony/Colt field will take place Saturday, May 18, at 10 a.m. This new field is located north of Hensley Field. Pat Alcorn has planned an interesting morning for you, so come and give Pony/Colt your support.

Watson For Property Tax Reduction

County Assessor Phil Watson reported this week that his signature gathering drive to place a one percent property tax limit proposal on the November ballot was moving into high gear, with almost half the required signatures already turned in.

Watson said, statewide, the Citizens' Committee for Property Tax Limitation had obtained almost 250,000 names.

The petitions have been in circulation only three

Sierra Madreans Attend PTA Convention

Local delegates who attended the annual state convention of the California Congress of Parents and Teachers in San Francisco last week were Mrs. Ralph Rule, president, and Mrs. Edwin Cowan, fifth vice president, of Pasadena High School PTA; Mrs. William Pankey and Mrs. Rae Anderson, representing Wilson Junior High School, and Mrs. Warren Schlinger, who was a delegate from Pasadena Council.

Five thousand PTA members, school administrators and teachers from all over the state heard the welcome.

Looking For City Administrator For Duty At No Increase In Cost Personnel Committee To Investigate Accts. Payable

Ordinance No. 816 was given first reading by the City Council and will have its second reading on May 28, and if adopted as of that date will become effective on June 28, just as the new fiscal year begins.

The ordinance divests all financial duties of the City Clerk, and in place establishes the office of Director of Finance, such appointment to serve at the pleasure of the City Council, and can be the City Administrator.

Paragraph (g) states: "Perform all the financial and accounting duties imposed upon the City Clerk

Flood Control For Wash Back Before City Council

The Federal Flood Control anticipated re-construction for the Sierra Madre Wash totalling between \$900,000 and \$1-Million is back at the front door of the City of Sierra Madre, having been presented to the Council for consideration at their regular meeting of Tuesday, May 14.

Complete plans and specifications were delivered to the City, by Omar Hall, engineer for the County Flood Control District the latter part of last week.

This is the same project which had its concept approved by the past City Council, and then when the clarification of the word "concept" was brought before the Council, the then Councilwoman Maddox, Councilman Wagner and Mayor King rejected the plan and the Los Angeles County Flood Control pulled back the project.

Scouting Paper Drive

Boy Scout Troop 381, sponsored by the Sierra Madre PTA, will conduct a paper drive four Saturdays, May 18 and 25, June 8 and 15, from 9 to 11 a.m. Papers should be delivered to 32 E. Highland, where Boy Scouts will be on hand to help unload the cars. For additional information please phone 355-0411.

Boy Scout training sessions are held weekly 7 to 8:30 p.m. at the Sierra Mesa School cafeteria. Next overnight camping trip is scheduled for June 1.

SM Republicans Hold Fund Raising Sale May 24 & 25

Sierra Madre Republicans this week announced final plans for their fund-raising Republican Rummage Sale on May 24 and 25, 38 W. Sierra Madre Blvd.

Co-chairmen, Mr. and Mrs. Tom Elliot are spearheading the final drive to empty closets, garages, and assorted storage areas of loyal Republican friends of good (it must be good, it's Republican!) rummage.

Chairman Elliot asks, "How easier can one finance election campaigns than to hit the opposition with dollars from Aunt Hepsiba's birthday shawl, uncle Sneddy's moose head, dad's undersize suits, mother's dresses that really did shrink, junior's rock collection, or sister's 1954 Philco clock radio — that still works?"

Report of Book Sale At Library

Over 5,000 books were collected this last year by the Friends of the Sierra Madre Library for the used book sale. Most of the books resold for 25 cents and a net of over \$850 was realized. This money was given to Mr. R. Ragsdale, librarian for library needs by the chairman of the book sale, Mrs. Ruth McKee.

About 100 books were selected from the donations and put on the library shelves for the public use.

Friends bring in books all through the year — a tradition established for many years and residents are urged to save their books and take them to the library for their next annual sale.

Stephen Potter Is Soloist

Climaxing a most exciting year that included the largest PCC band aggregation (140) to march in the Tournament of Roses parade and a week of concerts in Hawaii during spring vacation, Pasadena City College Lancer Band will present its spring concert in Sexson Auditorium, Saturday, May 18, at 8:15 p.m., according to Dr. Richard Coy, director. The concert is free and all are welcome.

The program will include Haydn's "Trumpet Concerto" arranged for tuba with Stephen Potter of Sierra Madre as soloist.

Friends of Library Dinner May 23

The speaker for the annual Friends of the Library Dinner will be David I. Gillfillan, garden editor of the Pasadena Independent Star News.

His program will include his Hawaiian slides, as well as a discussion of "How our local communities may play an important part in the

Art Fair In Final Stage

Friends of the Library and the Chamber of Commerce are in the final stages of presenting their 6th annual Art Fair in Memorial Park, May 18-19, from 10 a.m. until dark. Demonstrations in weaving, raku, candle making, wood carving, painting jewelry, casting and pottery will be offered each day.

The Community Nursery School and Creative Arts Group are planning children's painting sessions both days. The children may take their "art" home. The prizes to be awarded by local artists are on display in the library show cases.

Tickets are available from Art Fair Committee members and from Friend's Board members and will be sold in the Park Saturday and Sunday. A percentage of all the sales of art is reserved and earmarked for Library expansion.

The committee says: "This is your fair. Exhibit your art, bring your family and enjoy food, entertainment, prizes and be a part of your growing Library."

Vets' Graves To Be Decorated

Old time residents of 30 years ago who recall with nostalgia the sleepy little village of 2500 population with a business section clustered around the Red Car dominated triangle will be glad to know that in spite of present "growing pains" at least one old time custom remains — namely the decorating of the 52 veterans' graves in our local cemetery by the auxiliaries of Post No. 3208 of the VFW and Unit No. 297 of the American Legion Auxiliary.

Crosses decorated with the poppies of both organizations and flags supplied by the two auxiliaries will be placed by members of the VFW. Bouquets will be placed by members of the auxiliaries on each grave. Any local residents who would like to assist are urged to meet at the cemetery at 2 p.m. on Wednesday, May 29. Flowers are urgently needed. These may be left in front of the VFW hall at 40 E. Montecito not later than 1 p.m. or brought

Marine Band For the 4th

Plans are under way for a bigger and better Home Town Celebration on July 4th. Through the combined efforts of Ben Wightman, president of the Chamber of Commerce, and Harvey Birk, one of our most civic-minded citizens, Sierra Madre will have the El Toro 35-piece 3rd Marine Aircraft Wing Band to participate in our celebration. Ron Thurston, representative for the Chamber, will take charge of lining up the parade. Luncheon will be served at the VFW for the boys of the band.

Festivities will start at Sierra Vista Park at 7:30 a.m. with a pancake breakfast. Parade will start at 10 a.m. from Sunnyside Ave. and proceed down Sierra Madre Blvd. to the Park. Booths for food and soft drinks will be set up by various groups. In the afternoon there will be games, prizes and entertainment by local talent for both young folks and adults. There will be a teen-age dance at night.

The general public is invited to participate in the games.

Fabulous St. Francis Fair Scheduled For May 18, 19

Very soon the barker's chant of "Hurry! Hurry! Hurry!" and the familiar phrase, "Get away, son, you bother me!" will echo across the St. Francis High School football field as the fabulous St. Francis Fair gets underway. The big two-day event is expected to draw hundreds of people from all areas of the San Gabriel Valley.

Pictured here, reviewing the plans for positioning the various rides and games, are, left to right: Father Enda, athletic director of St. Francis; Mrs. Gail Bruce, president of the St. Francis Mother's Club, and Mr. Roy Stafford, president of the St. Francis Booster's Club.

Commenting on the upcoming fair, Father Enda said: "This is a great effort by both the parents and students of St. Francis High School to help raise funds for our building program. Hundreds of people will run the rides, serve the food, police the grounds, man the booths, and we're sure everybody who comes will have a great time. There's something here for everybody — from the young tots to the adults. We cordially invite everyone to come."

There will be rides, and games, and intriguing tests of athletic skills. All kinds of delicious foods and refreshments will be served,

Flags Put Up By Lions Club

On each national holiday the flags are flying on Sierra Madre Blvd., between Lima and Baldwin. This is a project of the Sierra Madre Lions Club.

For the past four years members of the local Lions Club arise at 6 a.m. to place the flags on the lamp posts of the city. In the evening they take them down. The schedule for the next couple of months will be Memorial Day, Flag Week and the Fourth of July.

Auto Strikes Young Child

At 7:45 a.m., on her way to school last Tuesday, little 6½ year old Susan Gail Carlson of 360 Adams Street was struck by a car while crossing Grand View Avenue at Olive Tree Lane.

Driver of the car, Billy Ocie Bates of 410 Pleasant Hill Lane was said to be traveling east on Grand View at approximately 25 miles an hour.

Young Susan was treated by a private physician for what was believed to be minor injuries.

Konkler Pool In Court

For those interested, the Konkler Swimming pool controversy will go into court on Friday morning at the hour of 9:30.

Donald Konkler, who was denied a variance for a pool that was already installed with a city issued building permit, has now sued the city for the right to have the pool and for expenses and costs as the court may deem appropriate.

He is asking for a summary judgment against the City of Sierra Madre and will be heard in Superior Court in Pasadena.

The law enforcement officers' lot is not an easy one. Ever think what it would be like to be in his shoes? It wouldn't be easy; probably most of us couldn't take it; aside from the mechanics of the job, your personal life is affected. He is often the subject of jokes and recipient of nicknames — both disrespectful. Often he and his department are accused of police brutality. What kind of hypocrisy causes us to quickly judge against him, regardless of facts?

He doesn't deserve this. He never fails us when we need him. His help is never far away. The Police Detectors are always the first to scream if they cannot find a police officer when THEY need him, otherwise, they have no consideration, no fairness for him.

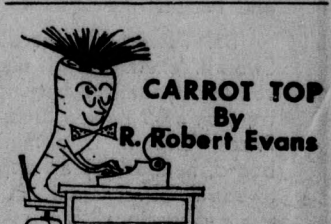

Why do we never hear about Discrimination against the Law Enforcement agencies? Or Civilian Brutality? Think about it. It's a two-way street you know.

The general public is quick to forget that this man is a taxpayer too. In fact, he's just like you in a lot of respects. His kids get the measles and mumps. He votes, just like you, me and the rest of us. He lives in the community; his children attend the same schools as our children. The job he holds differs from the average citizen's; his hours are longer and his job is a day and night, 365 days a year proposition with holidays no different from any other day. Sometimes, as in the case of homicide officers, narcotics officers and other specialists, the officers are called out after their regular hours only to put in many more hours before returning home again. The ideals the peace officer stands for may be a little abstract to some, but without those principles of law and order where would we be? Or did you ever think of that?

This man loses some of his civil rights in becoming a law enforcement officer. Because of his position, he can't express his opinions, too loudly, either on duty or off duty. He cannot engage in political activities nor can he engage in anything controversial. His behaviour off duty must match his on duty image. He's got to be the "good guy" both on the scene and off.

No, it is not easy to be a police officer. He is above average in intelligence and if not a college graduate he usually has some college and in all probability is enrolled in some college courses right now. He is both mentally and physically fit. From time to time, he must attend more special police training classes, and periodically he must qualify with police weapons — pistol, shotgun, sub-machine

Well, the Kiwanians are all out beating the bushes selling tickets for the annual June Pancake Breakfast which this year will be held June 8 from 7 in the morning until noon.

—CT—

This is certainly a worthy cause and the people of Sierra Madre are winners all the way. The tickets sell for \$1 for adults and 50 cents for children, and all of the proceeds will be donated to purchase equipment for the Bailey Canyon Playground Area. Isn't this something?

—CT—

Now as we understand the whole affair, most of the foodstuffs are donated to the Kiwanis, so you see, outside of a couple of minor expenses, nearly everything will go to this very well thought-out plan. In talking to some Kiwanians, they hope to run in the vicinity of \$1000 in proceeds, and this can easily be reached if you will participate.

—CT—

Seems that I heard someone say, and this will be confirmed later, that this year with your pancakes you may have sausage. Now where in the world could you get a breakfast like this for a buck and still equip the playground at Bailey Canyon. Get in touch with your favorite Kiwanian and get your tickets today. It will be loads of fun.

—CT—

Here is another worthy happening that will be thrashed out tonight, Wednesday, May 15. The teenagers will meet at 7:30 along with their parents and the Commissioners of the Parks and Recreation Commission and plan for a summer of fun.

—CT—

The Recreation Commissioners feel that if the teenagers bring out the projects and they are responsible for seeing them through that a very enjoyable summer will be had. Suggest if you have a teenager in the family be there tonight and join in the planning.

—CT—

Of course the planners for your city recreation are nervous people, they need your help and your encouragement to put across the programs. Speaking of being nervous, reminds me of a little story that goes something like this . . .

—CT—

The new maid was nervous and when she was told to bring her mistress a glass of milk, she came in with the glass tightly clutched in her hands.

—CT—

"Jane," fumed the lady of the house, "don't ever do that again. Always bring it in on a tray." The next evening, Jane appeared at the door with an anxious look on her face and a tray full of milk in her hands.

—CT—

"Excuse me, ma'am," she said, "shall I bring a spoon or will you just lap it up?" and that is the way planners sometimes feel when they are trying desperately to plan an affair for hundreds of citizens . . . Give them your help.

NOBEL PRIZE WINNERS IN MEDICINE

Last December 10th — in Stockholm, Sweden — 3 scientists received the 1967 Nobel Prize in Medicine. Two Americans — biophysicist Haldan Kefauver Hartline of the Rockefeller University in New York City, and biologist George Wald of Harvard University — shared the great honor with a Swedish professor of neurophysiology, Dr. Ragnar Granit.

The Nobel Prize is one of the highest honors that can be bestowed on a person, and with relatively few exceptions, Nobel Prizes have been awarded each year since 1901. These awards are given to persons whose achievements are judged to have most benefited mankind during the preceding year or years. The award in Medicine is conferred by the Caroline Medical Institute in Stockholm, Sweden. Nobel Prizes are also given in the fields of Chemistry, Physics, Literature and Peace.

Dr. Alfred Bernhard Nobel, the Swedish chemist and engineer (he invented dynamite) bequeathed the interest on a \$9 million fund for the Nobel Prizes, and it is administered by a board, headed by an appointee of the Swedish Government. A look at the many nationalities represented by Nobel Prize winners in Medicine surely reflects the progress that American Medicine has made in the last 30 years. In the first 30 years of the awards 29 were given in Medicine and we only received two of them, but from 1931 to the present the total has been 66 and 31 of these were to Americans — both native born and naturalized citizens, thus America leads with 33, Britain with 14 and Germany with 11.

We, at Hartmans are proud of these devoted men and are happy to be a part of the team that provides the benefits of their labors to you, our friends.

Fashion Show For May 18

The Robins, Junior Guild of Cystic Fibrosis, under the direction of Mrs. Robert Hunt of San Marino, Guild advisor and coordinator are busy making plans for their second Spring Fashion Show and Luncheon. "Around the World in Fashion," to be held this Saturday, May 18, in the garden of Kim Christianson's, 1900 Sierra Madre Villa, Pasadena. The style show will feature teenage fashions and will be modeled by members of the Guild, according to Demi Anderson, chairman of the benefit. You may call Demi Anderson, 355-3204 for tickets, for the benefit.

Mrs. Charles Harrison was organizer and founder of this group of teen-age girls five years ago. Each year they had made a money gift to Cystic Fibrosis Guild and on Saturday, May 18, will be their second fashion show and luncheon of what they hope to make an annual event. The name—The Robins, is in memory of one of our local girls, Robin Hardison, who was a victim three years ago of Cystic Fibrosis and until her passing was a member of the group known at that time as the Junior Auxiliary.

President of the Robins is Nancy Lathrop, and also commentator for "Around the World in Fashion," Demi Anderson, chairman of the benefit; Kim Christianson, ticket chairman; Debbie Stone, fashion show coordinator; Linda Gleim, equipment chairman; Robyn Morris, door prizes, and Stephanie Hunt, in charge of refreshments.

The following girls are members of the Robins, Demi Anderson, Connie Andrews, Julie Blackshaw, Kim Christianson, Shelley Dennis, Holly Dixon, Paula Dixon, Gale Durbin, Lina Gleim, Jean Hatfield, Stephanie Hunt, Cindy Knickrehm, Nancy Lathrop, Robyn Morris, Jan Gordon, Debbie Stone, Diane Zinsmeyer.

The Edward E. Riggins (Lois) had a full house recently. Lois' mother, Mrs. Marjorie Heinz from Hwy, Nebraska, is here for a visit and Lois' sister and niece, Mrs. Janice Glover and Terri came down from Fresno for a few days gab fest.

SYcamore 7-9634

Last week I had the privilege of taking six young fifth graders to Disneyland as a special school outing.

Now I've been to Disneyland a number of times but this time was just a little different, a very special trip. In the first place they were all old enough to form small groups and explore at their own pace and their own discretion while the "moms" kinda meandered around poking in and out of some of the delightful shops that line the streets.

I couldn't help but appreciate how very lucky we are to live in Southern California and have this magnificent showplace at our back door.

It was absolutely thrilling to me to re-visit the A.T. & T. free Theatre in the Round to see "my" America in a way that I couldn't possibly see it even if I were to follow the trail as they did. More astounding was the complete appreciation that the children had in viewing these scenes. If you've never been it is worth the price of the gate admission just to see this one attraction.

Monsanto Chemical Company has also provided a free show that takes you into an atom. They start you out viewing snowflakes. By means of reducing you to imperceptible size in your imagination, you are able to view the atoms that make up the snowflake. I was pretty happy about this show. I have been trying to reduce for weeks and thought perchance in the transformation I could leave a few of my atoms behind. No such luck. Matter of fact the trip made me so hungry I picked

up a few after the trip. General Electric too has a theater in the round that takes you back to just before the turn of the century. They show you a home considered modern in those times and bring you right up to date in several clever little scenes. To the children it makes the "olden" days seem more plausible but try as I would I was unable to convince them that it started a little before my time.

For one ticket you can visit the moon via a space ship and for a few brief moments you too can visualize what our astronauts risk their lives to explore. Or if you prefer you can take an exciting boat ride in the Caribbean while pirates are shooting it out over your head.

No matter what your fancy it is possible to fulfill your dreams for a few happy hours. Later on will be time enough to indulge in the appreciation of man's genius and farsightedness in building this monument of pleasure for young and old.

Probably the most outstanding feature of Disneyland is the fact that though it provides an abundance of amusement it has also been built with our good solid core American history, both past, present and future history, as its very foundation. It's a painless and exciting way for the young and young in heart to explore the pages of time and to look into the future.

We all had such an exciting time and happy trip home I suddenly realized that we had bridged a time gap for a few short lived

Douglas Rice of Sierra Madre, a sophomore telecommunications major, will play the role of Conrade, a follower of Don John, the villain, in the Pasadena City College Theater Arts Association production, Shakespeare's "Much Ado About Nothing," in the campus Little Theatre, May 16, 17, 18, 24, 25 at 8:15 p.m. and May 23, at 2:30 p.m.

Rice, who follows private flying as a hobby, plans to continue at CSC, San Diego. He is the son of Mr. and Mrs. Richard Rice, 7654 Easley, Glendora.

Musical Treat For Local PTA

Sierra Madre PTA Association meeting May 27, Sierra Mesa Cafeteria, program 7:30 p.m. and refreshments. Program chairman Mrs. Del (Joy) Comer advises all members and friends that a special treat is in store for those attending the May 27 association meeting.

"Music To Appreciate" will feature the Sierra Mesa Orchestra under the direction of Mr. Albanese, and Mrs. Flint's Glee Club from Sierra Madre.

Other highlights of the evening will be the installation of officers for 1968-69 and the reading of the historian's report by Mrs. Bertram Singer.

You and Your Neighbors

by NANCY BRYAN

Sierra Mesa PTA Mothers are busily making favors for the 6th grade Luncheon, Swim Party and Assembly on June 13. The swim party is to be under the guidance of the PTA. June 13, a Thursday, is the last day of school. Principal, Miss Newton, of Sierra Mesa states that there is NO school on Friday, June 14.

On the school schedule set for May 27 is an assembly with the school orchestra. This should be most enjoyable.

May 30 is Memorial Day and a school holiday.

The Wilson Panel — made up of former Sierra Mesa students visited the 6th grade students last week to tell the prospective Junior High students a little about campus life and to answer any questions the graduating 6th graders might have. It was a most successful conference.

A combination Mother's Day and birthday celebra-

tion was held at the Easton Rhodes family home at 120 W. Orange Grove last weekend. The birthday celebration was in honor of the Rhodes' married daughter, Mrs. Albert (Rochelle) Wapstra and the Mother's Day part of the day honored, in addition to Mrs. Albert Wapstra, who is the mother of a cute little 2 year old girl, her mother — Mrs. Easton (Ferne) Rhodes — and her grandmother, Mrs. Anna Mae Rhodes of Pasadena.

Easton and Ferne's other daughter, Linda, came home for the big weekend. She is in her third year at Col Poly in San Luis Obispo.

Saturday evening, May 4, Georgia and John Graham, 633 W. Montecito, were among the many guests attending the wedding reception for Don and Sandi Smith at Mrs. Bobbi Rambeau's home at 659 W. Montecito. It was a lovely party.

Omega is standard issue for
N.A.S.A. Gemini Astronauts

WHEN Gemini astronauts step into space and orbit at more than 17,000 miles an hour the watch they wear is Omega... standard issue by N.A.S.A. for the epoch-making Gemini program. The world has learned to trust Omega because it is made with the most exacting care, built for a lifetime of proud possession. This is only one of the many reasons we recommend Omega as our finest watch. World-renowned for precision and accuracy, Omega has been appointed the official watch of the 1967 Pan-American Games in Canada and the 1968 Olympic Games in Mexico. We will gladly help you choose the model best suited for your needs from our large Omega collection of men's and ladies' watches, priced from \$65 to over \$1000.

Letters To the Editor

Dear Editor;
 The following is an open
 letter written to Sierra Ma-
 dre City Council.

The "Black Horse Entry
 Stables — Candidate Clyde
 Clark" and the "37 Con-
 cerned Citizens' Committee"
 met Sunday, as scheduled,
 at the Park House, Sierra
 Madre, from 3 to 7 p.m. This
 was the first scheduled
 meeting.

This meeting was attend-
 ed by respectable citizens of
 Sierra Madre and the agenda
 was executed in an order-
 ly and informative man-
 ner.

After lengthy discussions,
 the result of this meeting
 produced the following
 highlights. That the prob-
 lems of Sierra Madre in the
 local area and primary
 consideration, were of im-
 mediate concern to this
 group, with State, National
 and International consid-
 erations secondary.

That, among these pri-
 mary considerations, fore-
 most, was the threat of Or-
 ganized Crime influences in-
 filtration into the business,
 political, local and govern-
 ment life of this community.
 Specifically, the threat of
 Cosa Nostra Mob-directed
 activities. After much dis-
 cussion, the highest crime
 attributed to these Or-
 ganized Crime influences
 was the Nation-wide traffic
 in narcotics, reputed a 7 bil-
 lion dollar a year in profits

Legion Auxiliary Elects Officers

The annual election of
 officers for Sierra Madre
 Unit No. 297 of the Ameri-
 can Legion Auxiliary was
 held on May 9 at the home
 of Mrs. Ralph Bent. Officers
 elected were: President, Ber-
 tha Billings; vice president,
 Thelma Proctor; second vice
 president, Amy Beisel; sec-
 retary, Lucile Pickett; treas-
 urer, Orelia Henderson;
 chaplain, Mabel Perry; Sgt.-
 at-Arms, Bernice McCloskey;
 executive committee, Edith
 Noshier, Mabel Perry, Berna-
 dyne Bent. Members elected
 as delegates to the Depart-
 ment Convention to be held
 in Fresno on June 23-26
 were: Thelma Proctor, Ber-
 tha Billings, Orelia Hender-
 son. The alternates are:
 Lucile Pickett, Mabel Perry,
 and Bernadyne Bent.

A donation of \$10 to the
 Sierra Madre Cemetery As-
 sociation was made and
 plans developed for decorat-
 ing the graves of veterans
 at the local cemetery on
 Memorial Day.

President Bertha Billings
 assisted by Mabel Perry,
 chaplain, draped the Unit
 charter in memory of past
 president, Edna Fallier.

The social meeting will
 be on May 23 at the home
 of Amy Beisel, 54 S. Lima.
 Plans will be made for Pop-
 py days May 24-25.

Jay Preston Elected At University

Jay Preston, 225 S. Moun-
 tain Trail, has been elected
 Men's Interform Representa-
 tive at the University of
 the Pacific in Stockton.

Jay is a junior at Pacific.
 The University of the
 Pacific is California's first
 chartered institution of
 higher education. Founded
 in 1851, the University has
 grown until it now has four
 liberal arts colleges, six
 professional schools and a
 graduate school. Its main
 campus is located in Stock-
 ton, with a School of Den-
 tistry in San Francisco and
 the McGeorge School of Law
 in Sacramento.

to the Mob. That, this traf-
 fic in narcotics has infil-
 trated areas of Los Angeles
 County in enormous vol-
 ume, that threatens every
 school-attending juvenile,
 including Sierra Madre chil-
 dren and teen-agers of both
 sexes as well as young
 adults. That, this narcotic
 problem not only threatens
 the mental and physical
 health and well being of
 the thousands of innocent
 victims of this kind of Or-
 ganized - Interstate - Crime
 Conspiracy, it also fulfills
 the Communist manifesto-
 code of subversive warfare
 and mass espionage de-
 signed to destroy this Na-
 tion from within, through
 narcotics, booze and sex dis-
 tributed among juveniles,
 resulting in a breakdown in
 morals and the law enforce-
 ment framework.

That, this 37 Concerned
 Citizens are in thorough
 sympathy with Law En-
 forcement Agencies and in-
 dividuals, as well as Gov-
 ernment Officials, who are
 limited, if not handcuffed,
 to effectively deal with and
 destroy this threat upon the
 peace and security of the
 individual and the commu-
 nity, because "Legality"
 in many instances actually
 affords protection to the
 law-breaker at the expense
 of the victims, while in-
 timidating and threatening
 the innocent, and law-abid-
 ing citizens, who would try
 to do something effectively
 about it. The 37 Citizens'
 Committee therefore seeks
 ways and means, through
 justice, truth and law pro-
 cedure, to uphold and to in-
 terpret the law, in the cor-
 rect and balanced manner
 that assures the protection
 of the law to the innocent
 citizens, while effectively
 apprehending and prosecut-
 ing the transgressor of the
 laws through Organized
 Criminal insulation. It is
 known that present "legal-
 ity" is now proven to be in-
 adequate to perform and
 produce the proper and
 justly due results in this
 matter, because of the
 power-structure influences
 of Organized Crime, USA,
 including these influences
 activities in the Sierra Ma-
 dre area, specifically in
 Narcotic traffic.

In respect of "legal" and
 other handcuff - procedure
 limitations imposed upon
 the Officials and Police of
 Sierra Madre and the deter-
 mination of this 37 Con-
 cerned Citizens' Committee,
 to contribute to the good
 cause of subduing this de-
 scribed criminal threat upon
 this City of Sierra Madre
 and its good citizens the
 following resolutions were
 passed, by the 37 Concerned
 Citizens' Committee:

That, as other Community
 Cities have likewise found
 just cause and strong rea-
 son to create a Crime Com-
 mission, (even our Sister
 City of Monrovia included)
 this 37 Concerned Citizens
 have likewise found just
 cause and strong reason,
 some of which is outlined

FROM THE Fire Side

We've often remarked about the outfits some of the firemen wear when they show up at a fire but when they show up at a party, now that's something else. John Buchan showed up complete with turtle neck shirt and "hippie beads," as he served during the party. Mike Tyler sported a bright blue Indian coat (not the wahoo-type Indian, but an Indian Indian) plus Doug Tucker had on his white turtle neck shirt with a bright blue coat. They sure added class (or something) to the party.

Shortly after the party ended Lee Graves made an emergency trip to the hospital suffering from severe back pains. They finally got him squared away and he is on the limited duty roster for awhile. I forget what the official diagnosis was but a few of the firemen claim he was suffering from "Glassitis" that comes from lifting too many glasses (one at a time). Now that seems hard to believe.

Even worse than that, Anne says she knows it's old age catching up with him. And there's a guy that has just about passed his 60th birthday.

Speaking of the party the other night, we hear that several of the wives dragged their husbands to a topless joint and then free loaded another snack at a nearby restaurant. We wouldn't mention any names this time but, Oh Boy, next time, look out.

The man who insists on speaking his mind has nothing left but his thoughts.

The man who always depends on luck actually invests his savings in soap bubbles.

Shakespeare Club Meeting May 21

Shakespeare Club members will meet for the regular Tuesday luncheon in Stratford House, May 21 at noon. Invocation will be given by Mrs. James C. Chambers. A "Members Birthday Celebration" is planned and table seating will be arranged according to month of birth. Greetings will be given by Mrs. Don C. McMillan, chairman.

Mrs. Harold D. Wiener, president, will preside at both the noon meeting and the 1:45 p.m. meeting, at which time a number of annual reports will be given.

Mrs. William P. Mayhew, program chairman, will present "Alladin" for the afternoon entertainment. Alladin, a regular performer on the Lawrence Welk show for the last 12 years, has appeared in over 100 motion pictures. He is a winner of the Peter de Rosa memorial award for his dramatic readings.

Summer Swim Program Opens In June

With the summer season quickly approaching, the residents of Sierra Madre and neighboring cities can really appreciate the fine swimming facility in Sierra Vista Park, 621 E. Sierra Madre Blvd.

The swimming pool opens June 1 for weekends, and swings into full time on June 17.

This year the Sierra Madre Recreation Department has outlined a swimming program that will fill the needs of most everyone.

Season tickets are available for a family or individuals. Swim instructions for tots to adults are also offered by the staff, which are experts in their field.

Full schedules of events, times and prices may be had at City Hall, Recreation Department, 55 W. Sierra Madre Blvd., 355-7135.

TRANSIT TOPICS

News and information about your public-owned transportation system, published in this newspaper as a community service from the Southern California Rapid Transit District.

ARTIE DEE
Transportation Editor

Have you ever had a time when everything seemed to be going along smoothly, and then the roof fell in? Well, that happened to me, I wrote this piece about saving a bundle by taking the bus to work, and here is an excerpt from a letter I received from an interested reader. "This lovely lady, said, and I've cleaned it up for public consumption, "When was the last time you rode a . . . bus from West Covina to Los Angeles? Not only did it take too long, they stayed on that congested freeway all the way to town."

Lady, things are looking up. There is a bill before the legislature that will permit the people to vote for enough money to build a rapid transit system. Assembly Bill 101 is that bill, and it could use your support. Write your assemblyman and tell him what you told me, maybe we can get this thing off the ground.

Starting May 1, and running through May 19, is Ice Capades, at the Sports Arena. If you have never seen this show, you've missed a delightful evening and if you have, you'll want to go again. This always takes me back to my childhood and the neighborhood pond. I was known as "Nimble Artie," because of my prowess on ice. Nobody could fall as gracefully as I could! RTD has service to the Sports Arena from many areas, late enough to get home on after the show, too. Send for a map and timetables of lines serving your area. Don't miss this beautiful show on ice.

Just an early reminder, the Los Alamitos Race Track will start night racing this season for the first time in Southern California, and RTD will be there with good bus service. I've been involved in night racing for years. The nags I bet on usually don't come in until then.

Q. My friend and I often go in to the Music Center. We take the bus to the station and a taxi to the Music Center. Is there a bus that would take us there from the station? Mrs. F.H.J.

A. You can do it two ways. Take the 9 line on 7th to Hill and transfer north on the 44, or walk to Hill and take the 44. It's a 4 block walk. I'll send you timetables and map.

Q. Please tell me how to go by bus from Rosemead to the Forum in Inglewood, and can I get a bus home after 11 p.m.? Mrs. C.J.L.

A. Take the 53 line to 7th and Spring, walk one block west to Broadway, and catch a 5 bus to Manchester, then transfer to the 54 bus to the Forum.

Q. I want to go to Busch Garden and I am not sure how; can you help me? I live in Pasadena, north of Orange Grove on Hill Street. Mr. J.O.

A. Take the 31 line running west on Colorado Street and ride to Hollywood and Highland. Change to the 93 line to Roscoe Boulevard and then change to the 16 line to the Gardens.

Q. I want bus transportation from Monterey Park, near New and Garvey, to Wilshire and Fairfax. Can you help me? Miss L.P.

A. Yes, I can. Take the 63 line to 7th Street, Los Angeles, and transfer to the 83 going west to Fairfax. I'll send you timetables and a map.

Send your questions to Transportation Editor, Artie Dee, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing in. NO STAMPS OR STAMPED ENVELOPES ARE NECESSARY.

LEGAL NOTICE

CITY OF SIERRA MADRE, CALIFORNIA

NOTICE INVITING BIDS FOR CONSTRUCTION OF WATER PIPE LINE BETWEEN OAK CREST DRIVE & BAILEY CANYON PARK

The City Clerk of the City of Sierra Madre will receive sealed bids for certain pipe line work, said work involving approximately five hundred ten (510) feet of 8 1/2 inch O.D. Water Pipe plus other appurtenances up to the hour of 10:00 a.m., May 27, 1968, at which time they will be publicly opened and read in the Council Chambers of the City Hall, 55 West Sierra Madre Boulevard, Sierra Madre, California. The bids will be presented to the City Council at 7:30 p.m., May 28, 1968. Inspection of the site will be on Friday, May 17, 1968, at 10:00 a.m. (leaving from City Hall). The work is located 45 calendar days after execution of the contract by the City.

The proposals will be publicly opened and read in the Council Chambers of said City on the date and at the time above-mentioned. Plans and specifications and all contract documents may be obtained at the City of Sierra Madre City Hall, 55 West Sierra Madre Boulevard, at \$10.00 for each set of specifications and accompanying drawings. Said deposits will be refunded upon return of the specifications and drawings in good condition within 30 days after the proposals are opened. The specification is entitled "SPECIFICATION FOR CONSTRUCTION OF WATER PIPE LINE BETWEEN OAK CREST DRIVE AND BAILEY CANYON PARK."

Each proposal must be accompanied by a certified or cashier's check or bid bond in the amount of ten per cent of the estimated aggregate amount of the bid as a guarantee that the bidder, if an award is made to him in accordance with the terms of his proposal, will promptly execute a contract in the required form, secure payment of Workmen's Compensation Insurance, and furnish a satisfactory faithful performance bond and a labor and material bond. Each of said bonds shall be in the sum of not less than one hundred per cent and fifty per cent, respectively, of the estimate aggregate amount of the payments to be made under the contract, computed on the basis of the price stated in the proposal. In addition to the above and if requested by the City, the bidder shall furnish a financial statement of recent date. Failure to comply with this requirement will render a bid informal and shall be sufficient cause for rejection.

Notice is hereby given bidders that in accordance with the provisions of Section 1770 of the Labor Code, the City Council of the City of Sierra Madre has ascertained the prevailing rate per hour wages for each craft or type of workman or mechanic needed to execute the contract which will be awarded the successful bid-Labor Agreement for the Construction Industry. Plans Desert Bus Trip

The San Gabriel Valley Cactus and Succulent Society held its regular monthly meeting in the Seminar Room of the State and County Arboretum, Arcadia, Wednesday evening, May 15.

Bob Foster, a recognized authority on desert plants of Mexico, presented a program of slides and commentary on cactus of the Sonoran Desert. Mr. Foster, a board member of the Cactus and Succulent Society of America, Inc., is currently doing extensive research on Mammillarias and will eventually author a publication on these plants.

A chartered bus trip to "Desert Nursery," Riverside, is planned for Sunday, May 19. The group will first stop for coffee at the home of Art and Del Montague in Riverside. Their hillside residence and imposing

cactus garden is a sight for even the most seasoned cactophile.

From there, the group will proceed to the picnic grounds at the home of Colonel and Mrs. Halvorsen, owners of the Desert Nursery. Mr. Ted Hutchison, a director of the Cactus and Succulent Society of America, Inc., will conduct a tour of the cactus and succulent gardens of the Nursery which have been recently enlarged and redesigned to show the beauty of these plants in landscaping. The bus will leave the Arboretum at 9:30 a.m. and return at 4 p.m. Participants should take their own sack lunches. Fare for the trip will depend on the number in the group. For information, telephone Bill Lockwood, 792-3990.

People who try to hit all the high places land in the

Meeting

Women of British birth or ancestry are invited to attend the regular monthly meeting of "Killarney" Chapter, Daughters of the British Empire in California, at the British Homes (Recreation room) on Thursday the 23rd May at 8 p.m. Mrs. Peg Jefferson will discuss plans for Killarney Chapter's participation in the June Faire to be held at the British Homes on Saturday, June 8. Mrs. Fulton C. Chaplin, M.B.E. State Organization Secretary will also speak at the meeting, on various subjects pertaining to the British Homes of California.

Expect Too Much

It may be true that one good turn deserves another, but don't expect it to boom-erang.

Adversity is a measure—it is a scale for weighing friendship.

Peace Officers Earn Every Dime

The latest techniques in life saving and first aid is a must for the officer; do you realize how many babies have been born with only the help of these men? . . . when papa couldn't get mama to the hospital fast enough? Because of all this, "bad apples" or unfit personnel do not last long in this occupation.

Don't kid yourself, these men earn their pay. Sometimes it costs them something too . . . like their life.

There are those people who pooh-pooh the idea of law enforcement along with slogans like "Support your local Police." Wonder if they ever think what would happen if there were no police to protect them and their rights along with the lives and rights of everyone in a community in which the officer and his family live? The same community in which his children attend school and church?

Next time you disagree with an officer or a law, don't forget — the police officer only carries out our laws.

Just what would we do without law enforcement? In a recent supplement publication, the FBI reported that the "incidence of major crime in the United States is rising at an annual rate of 16 per cent . . . far above the rate of growth in our population." If this uptrend continues there will be more than 4 1/3 million major crimes committed this year. Another recent FBI study showed "that 57 per cent of offenders released on parole in 1963 were re-arrested in 2 1/2 years . . . and that 83 per cent of those acquitted or dismissed in 1963 were re-arrested within the same 30 month period." With this cancerous growth of crime, and based on our population of over 200 million, you have one chance in 47 of being murdered, maimed, or robbed in the next 12 months!

The week, May 12 thru 18 is Police Week throughout Los Angeles County and the nation's largest single observance of this week will occur in Hollywood at the Hollywood Palladium on Wednesday, May 15 at a banquet to be attended by peace officers and citizens from throughout Los Angeles County and two English "bobbies" from London. The two "Bobbies" will be Constables P. S. Probert and R. E. Woods, of the police force of Metropolitan London. They are being flown

here by Law Enforcement and Community Recognition Association (LECRA) of Los Angeles County to assist in county-wide celebrations of Police Week. LECRA is a public service, non-profit corporation established to promote Police Week.

There will be more than 2,500 guests at the second annual Police Week Recognition Dinner. Mayors, top-ranking public officials and leading businessmen of the county will attend to "honor the Sheriff's Department, the Los Angeles Police Department, 46 other municipal police departments and the California Highway Patrol" according to Jack Webb, the well-known "Sgt. Friday" of the TV "Dragnet" series. Mr. Webb, who is honorary chairman of Police Week, added that county marshals and state police are among the 14,000-man peace officer contingent within Los Angeles County" being honored at the dinner.

The program will be open to the public. Tickets can be obtained by telephoning LECRA at 830-6833.

SIERRA MADRE NEWS—7

Neighbors

Now out of the service is Robert C. Resh, son of Agnes and Robert J. Resh of 273 E. Alegria. Bob and his wife, Linda, drove across country from West Virginia, arriving in Sierra Madre two weeks ago. Their traveling companion was their tiny, fun-loving Siamese kitten, "Meatball" — didn't check, but since this is a Siamese kitten, maybe that should be "Me-At-Bal"? Linda, born and raised in Alaska, thinks Sierra Madre is a very pretty town; loves our graceful trees and proud mountains which remind her, in a way, of her home state, Alaska.

As soon as the young people are rested and acclimated they will start looking for a home in our community, as they plan to settle down here.

Mom and Dad Resh are very pleased about the whole thing as are Bob's brother and sisters — Amanda, Deborah and Richard. Welcome home Bob, and Welcome, Linda!

Services Held For Former Sierra Madraean

Funeral services for former Sierra Madraean Fred William Lewis were held last Friday, May 10 at 11 a.m. at Ripple Mortuary with the Rev. John Esterline officiating. Mr. Lewis passed away suddenly May 7. A former member of both the Sierra Madre Police Department and the Sierra Madre Volunteer Fire Department, the 64 year old Lewis resided at 522 Ranchito Road, Monrovia.

At the time of his death, the deceased was an inspector for the Los Angeles City Department of Water and Power. Originally from Emporia, Kansas, Mr. Lewis had resided in California for 61 years.

He leaves to mourn his passing, his wife, Mrs. Jean Davis Lewis and a sister, Mrs. Mabel E. Demaree of Arcadia.

Interment was at Sierra Madre Cemetery.

It's usually the black sheep who tries to paint the town red.

Open House

May 21, 7:30 P.M.

The Ethel Barnhart School of The Santa Anita Church will hold Open House on May 21, at 7:30 in the evening. Following the program in the Fellowship Hall, guests are invited to visit the classrooms and enjoy the students' displays. The public is invited.

The school, located at 226 W. Colorado Boulevard, Arcadia, is a non-denominational Christian Day School which offers a balanced academic, cultural and spiritual program from kindergarten through eighth grade.

From the beginning, the Carden Method of learning introduces the students to phonics in reading, spelling and grammar with emphasis on perception, comprehension and organization of thought. Fine literature and French are a part of each grade.

Carden language of numbers develops concepts and skill in computation and includes the "new math." Children who complete kindergarten can read first grade books, write sentences, spell many words, and know the numbers from 0 to 100.

Plans for expansion of the school are being completed and a new building will be erected during the summer. Enrollments are now being accepted.

Organ Workshop

The Organ Workshop of the Shakespeare Club will meet at 12:30 p.m. Wednesday, May 22, in the home of Mrs. W. J. Kimball. Please make reservations. Salad and coffee will be served. Mrs. Oscar N. Kulberg is the chairman.

May 19 Sermon

Topic, 'Rebellion, Reconciliation'

Rev. Richard Anderson of Sierra Madre Congregation Church in announcing his sermon topic for Sunday, as "Rebellion and Reconciliation," with text from Luke 15:11-32, continues by saying: "There is nothing that undermines the human spirit more than to do what you please and then not be pleased with what you have done. At such times there is no one to blame but yourself. But this is so hard because the temptation at that moment is to blame everyone else."

He continues with: "The persons who are following a path of rebellion walks a lonely road, a swiftly narrowing road. Rebellion begins with the broad road of absolute freedom — you alone will decide your destiny. Yet the more you pursue this path the greater the temptation to blame others for your hard knocks and your life becomes more and more lonely. It's very hard to say, 'I was wrong.' It's even harder to say, 'I am not the author of my own existence. I need direction and guidance from the One who loaned me the gift of life.'"

Rev. Anderson concludes by saying: "We all go through times of rebellion, especially during our early years. What makes the difference between rebellion that leads to reconciliation and rebellion that leads to ruin? The Bible illustrates the answer graphically. Find the answer for yourself, as you worship with us this coming Sunday."

Lesson Sermon

For May 19

"Yesterday Ended Last Night" will be the subject of the lesson-sermon of Rev. Margaret M. Stevens, minister of the Santa Anita Church, 226 W. Colorado Blvd., Arcadia, on May 19 at 11 a.m. "This is a non-denominational church teaching the principles that Jesus taught. The public is cordially invited to unite with us. Infant and child care is provided during the service," says Rev. Stevens.

Classes from pre-school through high school are conducted for children from pre-school age through high school after a 15 minute worship service in the sanctuary. High school youths and young adults hold their meetings on the first and third Sunday evenings at 7:30.

Thursday at 11 a.m. Rev. Stevens conducts a workshop in successful living. All women are warmly welcomed to this study class. There is a time of service and fellowship after the class. Women are urged to take a sandwich and plan to stay in the afternoon.

On June 6 there will be a speaker, Adela Rogers St. Johns as guest.

"Dial for prayer, 447-6162," urges Rev. Stevens.

Reception

Dr. Max Rafferty will be honored at a "No-Host" reception Friday, May 17, from 6:30 to 8:30 p.m. The Tabery residence at 4443 Gould Ave., Flintridge, will be the setting for this opportunity to meet and talk to Dr. Rafferty, an outstanding candidate for United States Senator.

Letters To the Editor . . .

(Continued from Page 5)

herein, to create the "37 Concerned Citizens' Crime Commission of Sierra Madre" to be known by that assumed name. RESOLVED, that this Crime Commission, for the present and until organization thereof is completed is to be directed by Charles C. Compton of Sierra Madre, with responsible and restrained and patient counsel of Senior Members of this Commission, to furnish guidance and policy meanwhile.

That, a policy of complete trust and cooperation, with the full membership of the Sierra Madre City Council and the Sierra Madre Police Department, expressed by respect and voluntary submission of all crime commission activities, reports and planning, to be communicated to the full Council and the Chief of Police of Sierra Madre.

That this Crime Commission feels that in such proposed cooperation, unity and understanding of these just purposes will materialize in strength, that reveals and drive out of this community, the referred Criminal influences with such high crime lawlessness, subversion and above all, the narcotic threat to our children. In short it certainly will soon become untenable for Organized Crime influences and good citizens to both abide in this City . . .

This "Concerned Citizens' Committee" has authorized this writer, Charles C. Compton of Sierra Madre to make this letter-report to the full membership of the Sierra Madre City Council and to the Police Department.

You and Your Neighbor

ment with the idea and intent of appealing to these honorable bodies for mutual respect and cooperative understanding that, in effect, locally declares war on the described Criminal influences threat existent within the Sierra Madre area, specifically by beginning this attack on the Organized Crime overlords, regardless of their headquarters, that are responsible for the narcotic traffic itself.

That, we do not direct our Concerned Citizens' Crime Commission energies in the matter, to the apprehension or prosecution of the users and peddlers of narcotics, who are actually the victims and stooges used by those insulated and untouchable higher ups that control and direct this high crime against teenagers and humanity through stooges and tools.

That this Concerned Citizens' Crime Commission is dedicated and pledged to breaking down insulation that covers, protects, and immunizes the higher-up directors, whether it be a ridiculous "legality" interpretation — procedure or by contacts in high places of political and government administration. This Crime Commission does not propose to interfere with Law Enforcement processes that investigate, apprehend, arrests and convicts the users and the peddlers of narcotics. We leave this duty to the duly ordained powers of City and other Government Administration bodies and the function of the Police and the Courts, with confidence and appreciation. We do organize and function as a voluntary group of 37 Concerned Citizens' Committee "Crime Commission of Sierra Madre" and we do this under the rights and the protection of the higher U.S.A. Constitution Law, "to peaceable assembly and to petition the Government for a redress of grievances and with the right to dissent — and the right to organize and take strong enough moral and legal actions that are designed to produce justified results."

We will also report every 90 days (quarterly) to the full body of 6,000 registered voters of Sierra Madre, the full story about how this city met and handled its Crime Threat Problems successfully, through the cooperation of the City Council and Police Department, with the informed voters expected backing of this kind of community action.

Whenever it may convenience the full City Council Membership, or the Police Department to reply to this letter, the 37 Concerned Citizens' Committee would welcome, with enthusiasm, whatever response that may be forthcoming, whether it be of approval or of criticism . . .

We do feel that silence or lack of response, would serve the interests of Criminal influences, therefore, in respect, we urgently emphasize that cooperation and understandings in this serious matter be given immediate attention.

We of the 37 Concerned Citizens' Crime Commission thank you very much. Respectfully awaiting your reply.

Very truly yours,
Charles C. Compton
of 37 Concerned Citizens' Committee

Joe Alsawa of this community will be a featured speaker at the Southern California distributors of Nutrilite products when they gather at the Scottish Rite Auditorium in Los Angeles on May 17.

Larry Bevington, past City Administrator for the City of Sierra Madre was recently elected as a new member of the Scapa Praetors Board of Directors, a support group for the University of Southern California's School of Public Administration.

Holy Communion

At Faith Lutheran

Holy Communion will be celebrated in the 10:30 Sunday morning Worship Service of Faith Lutheran Church, 845 Hastings Ranch Drive, Pasadena. The Rev. Armin Hesse will address the congregation on the topic, "The Intercession of the Holy Spirit."

Meeting at 9:15 the Sunday school and Bible departments will feature the Adult Bible Class under the leadership of Pastor Hesse. Glossolalia, or speaking in tongues will be the topic for the day, continuing the series "Ethical and Christian Principles Related to Some Current Issues."

The 7:30 Wednesday evening Bible Class will discuss the topic, "What Is a Doctrine?" These discussions are designed to enlighten the laity regarding the current discussions between the American Lutheran Church and the Lutheran Church — Missouri Synod. Both bodies are considering altar and pulpit fellowship. Church activities for the week include Monday evening Women's Christian Service Guild at 7:30; Tuesday evening Evangelism calling night at 7:30; and the Wednesday evening church facilities planning committee following the Midweek Bible Hour.

Randy Walburger of this community has accepted his Master card from television and motion picture actress Thordis Brandt. He was one of 11 out of 115 entrants to receive the coveted Frisbee Master Card.

On Monday evening, May 6, a board meeting was held at the home of Lions President, Herman Ohs. President Ohs and secretary, Charles Watters will attend the District 412 Convention on Saturday, May 11, in San Diego.

Coffee Hour

Mrs. Herbert G. Claudius, membership chairman, and her committee consisting of co-chairmen, Mrs. Bernard J. Gallagher, Mrs. Charles J. Coleman, Mrs. J. Wade Bengall, will introduce new members and prospective members to the Shakespear Club board of directors at a 10 a.m. coffee hour in Stratford House on Friday, May 24.

Humanity is fickle — friends may boast you today, and roast you tomorrow.

Sermon-Lesson

Sunday, May 19

The subject for this week's Lesson — Sermon, which will be read in all Christian Science churches this Sunday, is "Mortals and Immortals."

The Golden Text is from Romans: "Be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect will of God."

Passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following: "We must form perfect models in thought and look at them continually, or we shall never carve them out in grand and noble lives."

Letters To the Editor . . . Building

Dear Sir:

Governor Ronald Reagan has said that "taxes should hurt." Now, any wage-earning American knows that taxation has always hurt. Of course, the federal income tax, serving the purpose for which Marx designed it, has as its objective the elimination of the middle class. Naturally, it is within this range that it hurts the most.

There is no reason any form of taxation should hurt, and the state income tax should hurt least, for it should be completely abandoned. However, until such time that a sane citizenry abolishes the income tax, by constitutional methods, we must live with it.

So, the problem becomes how can the income tax be made not to hurt? There are a few who suggest a payroll deduction, contending that, since so little would be taken out of the payroll check, one would hardly notice the deduction. Therefore, it would not hurt.

I contend this makes as much sense as taking small doses of arsenic. It is the cumulative amount that matters.

A sane approach would, of course, be cutting government spending, therefore reducing the amount of revenue needed. Unfortunately, not many politicians favor this approach.

When I am allowed to pay my taxes at the end of the year, I am given the opportunity to put that tax money to work during the year and it earns a profit. If the government forces me to pay weekly (or monthly), it not only steals my profit but also extra money from itself.

Why not make payroll deductions of the state tax voluntary, allowing those too stupid to plan their own

lives to have the government do it for them. I doubt, however, this plan would be tried, for the case would be the same as it would have been with Social Security, had citizens been allowed to volunteer for it — not enough people would sign up.

Support the Liberty Amendment.

—Richard E. Woodin

We just found out that young Christopher Houser celebrated his 4th birthday last April 15. He had a real birthday party with all the trimmings — birthday cake, ice cream, gifts and games — attended by four of his side-kicks, Jimmy Wynne, Mathew Swagel, Jamie Blakeslee and Alec Buchan. Christopher, who eagerly attends S.M. Nursery School three mornings a week, is the oldest son of Diana and Christopher Houser of 340 N. Sunnyside. 21 months old Peter John is the Houser's other child.

George and Vivian Henson have a second granddaughter now! The baby is the daughter of their daughter and son-in-law, Karen and James Patton of Arcadia and has been named Karen Renee. The tiny miss, who now weighs 4 pounds 10½ ounces, was born 2 months prematurely and wasn't allowed to leave the hospital until May 3. It shouldn't be too long before the Henson's granddaughter puts on more weight; she must be fed every three hours! When grandma isn't helping feed little Karen, she is occupied with Karen's big sister, Virginia, who was a year old last December.

Survey For Sierra Madre

Total valuation of all building permits in the city of Sierra Madre during 1967 total \$1,778,000, according to Security First National Bank's newest "Survey of Building and Real Estate Activity in the 14 Southern Counties of California."

Paul O'Sullivan, manager of Security Bank's Foothill and Rosemead branch reported that during the past year building permits were issued for a total of 69 family dwelling units in the city.

Based on the survey, this figure included 49 single dwellings and 20 multiple units.

According to Paul O'Sullivan, copies of the comprehensive 40-page booklet are now available to the public, free of charge at the local branch as well as at all Security Bank branches throughout the Southern California area.

Overall, Southern California's volume of building activity in 1967 improved over the low levels recorded in 1966. The gain was due primarily to a recovery in the residential sector during the latter part of the year. This trend was supported by a continuing strong showing in the heavy engineering category, it was reported.

For the year as a whole, actual dollar volume of all building and construction in the Southland totaled \$3.6 billion, up 2.4 per cent from 1966.

Among the survey's highlights: Residential building in Southern California during 1967 was valued at \$1,256,000,000. This was 7.4 per cent above the 1966 level but was off more than one-half when compared to the all-time high set in 1963.

Engineering construction expanded in 1967. Volume of engineering contracts awarded last year hit a record high of \$842 million, an increase of 20 per cent over the 1966 total of \$701 million.

Real estate loans, while declining slightly in number, advanced in total dollar volume. Number of loans were off 1.2 per cent from 1966. Dollar volume of loans rose by \$218 million or 2.9 per cent.

Security Bank's study, with numerous tabulations documenting the overall Southern California construction industry, is of interest to persons in real estate, representatives of building and construction industries, architects and developers.

Scout Pack 390 Complete Derby

Cub Scout Pack No. 390 rocket derby was held at Sierra Mesa cafeteria on April 26, under the capable direction of Mr. Denslow Thatcher who served as chairman for this activity. A special note of thanks was extended by all members of the committee and the Pack to Mr. Thatcher for the good job he did in coordinating this space derby.

Entering this year's competition were 18 of the Cubs from the pack and all received contestant ribbons for their entry. Mark Ybanez of Den No. 2 took first place trophy in the finals. Mark Sloop and Bobbie Crowder each received a cup as the second and third place runners-up. Best design trophy was presented to Lowell Swett of the Webelos Den. Second and third place best design cups went to Mark Ybanez and Ricky Zink. The boys had an exciting time at this annual event.

It's Charter renewal and re-registration time once again for Pack No. 390. All Cubs are asked to renew their memberships NOW in order to have continued service throughout the summer. Also, the Cubs were told they would greatly assist the committee with administrative paperwork and will keep the present dens organized. This will give the group the opportunity to start functioning the dens in the fall shortly after school begins without past experienced delays and confusion. The committee says: "We are happy to report the membership increased from 22 to 60 this past season and we would like to have all of you continue your cubbing enthusiasm in the 1968-69 year."

They continue with, "The paper and pop bottle drive completed in April was a success and we wish to thank you kind citizens for your contributions. And, especially our appreciation to the owners of the garage for the use of their facilities. "Perhaps a little early to mention but the Pack plans to participate in the Fourth of July hometown parade so keep those uniforms pressed for this occasion."

Cub Pack 377 Awaits Meeting

The Cub Scouts of Pack 377, Eugene Field School, Hastings Ranch are anxiously waiting for their May Pack Meeting on May 17, at 7:30. This is the last meeting before vacation and many of the boys will be receiving awards. The Arrow of Light ceremonies will be held.

The following Webelos of Den No. 1 and 2, will receive this award, Scott Beggin, John Kariotis, Tommy Harris, Mark Wenger, Gary Libra, Bruce Toomer and James Marsters.

All the future Cubs and their parents have been invited to attend this meeting. They will see how the monthly Pack meeting is conducted with Flag Salute by Den No. 8, inspections, awards and this month there will be a display of the crafts and excursions the boys have taken during the past year. The parents are also requested to be there to register for the coming year.

Miss Margaret W. Linebaugh, 224 San Gabriel Court, will leave next Tuesday for a European tour promises to be not only interesting but unusual.

Mr. and Mrs. A. C. Rumble of Los Angeles have leased the Halsey home at 57 W. Grand View. Mr. Rumble is a civil engineer and is connected with the Engineering Department of the City of Los Angeles.

Bruce Russell of Sierra Madre is one of the exhibitors at the first exhibition to be held by the Cartoonists Club of Southern California now in progress at the art galleries on Olive Hill, Los Angeles. Fifty artists are represented, the number including the men who produce the most famous comic strips and general newspaper cartoons in the country. Mr. Russell is one of the staff artists of the Times, making a specialty of sport subjects and cartoon portraits.

Mrs. Francis M. Hawley and her daughter, Miss Laura Daphne Hawley of Los Angeles, are guests in Selam Inn cottage for two weeks. Mrs. Hawley is secretary for the chautauqua work of Southern California and is in charge of that department of the summer assembly at Pacific Palisades.

Mrs. Frank L. Merrill left on Wednesday for Meek's Bay, Lake Tahoe, where she will spend the summer. Mr. Merrill went up to the lake several weeks ago. Their son, Wayne, will remain in

Sierra Madre through the summer, his interest in aviation keeping him near the flying field in Arcadia.

The Mothersingers, a Sierra Madre PTA group, will give their first performance at the PTA meeting May 19 in the auditorium of the Highland Ave. school, with Mrs. Dale Howbert in charge.

Unless the skunk that bit an 8-year-old Sierra Madre boy is found within the next few days, the youngster will have to undergo the painful series of shots for rabies. Ricky Smith, 50 E. Laurel, was bitten on the left index finger while playing with the animal near his home. He is the son of Mr. and Mrs. Paul E. Smith.

Katharine M. Schwartz, daughter of Mr. and Mrs. William Schwartz, 282 E. Highland, has been accepted at Mills College in Oakland, Calif. She will enroll for the fall semester.

Katharine in a senior at Anokaia School for Girls and will graduate June 12. She has been editor of the school paper, a member of the annual staff, vice president of the senior class and president of the Anokaia Junior Auxiliary of Arcadia.

Mr. and Mrs. Wilbur S. Hull, 542 W. Montecito, celebrated their golden wedding anniversary last Saturday night.

Their son-in-law and daughter, Mr. and Mrs. Robert Baugh of San Marino, and their daughters, Dixie and Shirley, and a son and his wife, Mr. and Mrs. Charles Hull of Kingman, Ariz., and their daughters, Barbara and Melissa, surprised them with a dinner at the Huntington-Sheraton Hotel.

Bonelli Sends Out Warning

"Threat of a 25 cent per \$100 of assessed valuation hike in the County General property tax rate for the coming budget year mandates that the Board of Supervisors not go beyond wage and salary recommendations of County Personnel Director Gordon Nesvig if review shows that they are in compliance with County Charter provisions," Los Angeles County Supervisor or Chairman Frank G. Bonelli admonished recently.

"Unless upcoming salary hearings produce concrete evidence to the contrary," Bonelli declared, "granting pay raises to County employees above and beyond that which is mandatory would only add insult to injury to our overburdened taxpayers."

Bonelli insisted that there must be strict adherence at the salary hearings to not going above the lawful requirements established by the salary survey. He said payments by the County to its employees of wages prevailing in private industry for comparable positions, thus meeting County Charter provisions, is the absolute maximum that should be considered by the supervisors.

"I must remind everyone that the recommendations of the Personnel Director are funded as part of the contemplated 25 cent property tax rate increase as proposed in the Chief Administrative Officer's Preliminary Budget," Bonelli pointed out, "and any further liberalization of salary increases would only result in increasing the tax rate."

Get a free checking account
when you get your car loan.

We're asking for it. We are just plain eager to make car loans. So when you get yours from us (minimum \$1000), you get a personal checking account with no service charge at all for the length of the car loan. How often do you get to take a bank for anything?

Savings on top of savings. You save about \$30 a year in service charges on the checking account alone. But you also save on the car loan, because when you get it direct from us there's no middleman, no markup. It's like getting something direct from the factory—in this case, money. Say you save 1½% (it could be even more). On a \$3400 car, with \$1200 down, that's \$99 saved on a standard 36-month loan. For \$99, plus that free checking account, won't you look us up and come over? We know your time is precious but it can't be that precious!

Our Positive Attitude. We are a \$900-million bank but we still knock ourselves out to say "Yes" to loan applicants. After all, we'd never get anywhere sitting around saying "No" to people.

No Meeting For Senior Citizens Saturday, May 18

President, Herman Dokken called the meeting to order at 11:45 on May 11. Minette Ring gave the prayer followed by the Lord's Prayer. Mr. Dokken led the group in the salute to the Flag. Roland Ridgeway gave a reading about "Mother" and led the singing in several selections with Vivian Singleton at the piano.

First business was the reading of the minutes by Millie Freislinger, secretary. The report of the treasurer was given by Pearl Patterson. Lucy Fergin, being ill, Mrs. Patterson reported on Eva Jones and Tris Cartwright who are both still confined to the hospital. Irene Gochee is also ill. A request was made for cards to be sent to the members who are absent.

Frances Gardner told of a class in millinery and lamp shade making held each Thursday from 9 a.m. to noon, in the Memorial Park House. Minette Ring reminded the members going to the Ice Capades to be ready to leave Sierra Madre at 3 p.m. on Saturday, May 18.

Bernice Olson talked of the birthdays and about the July party on July 6. Hazel Cowart and Claude Veldler were welcomed back after a long absence. The meeting was adjourned for a program of accordion music by Robert Dautre. He was most generous with his numbers and shows much talent for a young man of ten years.

Four tables of bridge and canasta were enjoyed for the rest of the afternoon. There will be no meeting till Saturday, May 25.

Orchid Society Meets May 16

The speaker for the San Gabriel Valley Orchid Hobbyists, will be Mr. Walter Rybaczky, whose topic will be "Some Easy Cultural Pointers — Hard to Grow Orchid Species."

The meeting will be on May 16, at the Los Angeles State and County Arboretum, Arcadia, at 7:45 in the lecture hall.

The Culture Class will have what they call "A Friendly Heckler Session" a panel discussion on orchid culture, by Mrs. Alcia Ferguson and Mr. Carl Keyes. This class is at 7 p.m. in the lecture hall, the same evening.

The public is cordially invited to attend.

Services Held For A. E. Gordeau

Rosary was recited at 7:30 Thursday, May 9, and Requiem Mass celebrated at 9 a.m. Friday, May 10, for Dr. Adolphe E. Gordeau, age 76 of 149 N. Mt. Trail, who passed away May 8 in a Pasadena convalescent hospital after a lengthy illness.

Dr. Gordeau came to Sierra Madre from Duluth, Minnesota 39 years ago and leaves his wife, Bessie C. of the home address; daughters, Sister Louis Gordeau of So. Pasadena, and Mrs. Celeste French of Woodland Hills. Also one son, Daniel Gordeau of Lancaster, and six grandchildren.

Rev. Thomas O'Malley officiated at the Passionist Father's Monastery Chapel and arrangements were handled by Ripple Mortuary of Sierra Madre.

Scouting
Cubs, Scouts and Explorers of the San Gabriel Valley Council, Boy Scouts of America, are busy preparing for their Annual Scout Exposition to be held on Saturday, June 8, at Citrus College, according to Charles Vallas, general chairman. Mr. Vallas stated that more than 250 varied displays involving more than 5,000 boys will show "Scouting on Parade."

moments, and in my case that's a long bridge. All we have to do now is to think of another excuse to go back. Anyone with visiting relatives — I'm for hire as a guide.

There was lots of Mother's Day activity in these hills last Sunday. John and Kay Rinaldi and their three children, Leslie, Tracey, and Hilary were joined for dinner by John's parents, Mr. and Mrs. Frank Rinaldi, and his brother, Mr. Augie Rinaldi. Also there was Kay's mother Mrs. Alice Horeish, and Mr. Donal Remmy.

Mr. and Mrs. Arturo Gutierrez had a real family gathering around them on Sunday. In addition to Guillemina, Elena, Art, Jose Luis, Lettie, Ana Luz, and Tina, who are still living at home they were joined by their two married daughters and their families, Mr. and Mrs. John Delaney with their sons Timothy and Tom, and Mr. and Mrs. George Floritos with their three children, Kathryn, Laura, and Peter.

Rather than have "mother" cook at home they all went out for a big dinner.

There were several generations represented at a family gathering at the Laurence Deitzel home last Sunday, starting with great-grandmother Mrs. Eleanor H. Deitzel, several of her children, grandchildren, and six of her great-grandchildren.

Mr. and Mrs. Alan Wayne entertained a small group for dinner last Saturday evening. Beverly tried her hand at Chinese cookery and I am sure their guests were delighted.

Included in the gathering were Mr. and Mrs. Jack Liebeau, Mr. and Mrs. Anthony Plerno, and Mr. Laurence Westfall and his escort.

Had a delightful chat last week with Mrs. George Sanders. She is co-director for the Thrift Shop of the Pasadena Child Guidance Clinic on Waverly Drive.

The thrift shop is entirely staffed by volunteers from the five auxiliaries and with their help the clinic has been able to give continuing care to more than 300 emotionally disturbed children this past year as well as give short term assistance to many, many more.

The clinic serves children from all over San Gabriel Valley and for the first time they are able to accept cases almost immediately on recommendation.

Mrs. Sanders tells me there is always a great need for additional volunteers that feel a desire to give of their time and she said the gratification of assisting these children is more rewarding than any financial recompense could possibly be.

For further information on how you can be of service can be obtained by calling the clinic or contacting one of the auxiliary members.

Children who attend Sierra Mesa School are urged to contribute flowers to be used in decorating the graves of veterans buried in the local cemetery on Memorial Day. Please take the flowers to the school on May 29. They will be picked up by a representative of the American Legion Auxiliary.

New Baseball

Classes will be held on Monday evenings at the Council Chambers.

Watson For

weeks. With five weeks still to go, the Committee expects to be over the top when the final results are certified on June 27.

Watson's proposal would restrict the property tax to property-related services such as are being provided by the County, city and special districts, and limit the amount of taxes for this purpose to one percent of market value, exclusive of bond and long-term lease obligations.

At the same time, the initiative provides for a 20 percent-a-year phase-out of schools and education costs from the property tax, so that at the end of five years the entire school and welfare burden will be eliminated.

Watson isad Los Angeles County and Bay Area residents have been particularly enthusiastic in their support of the initiative. About 90,000 signatures have been received in Los Angeles County and about 50,000 in the Bay Area.

The statewide signature-gathering drive is under the direction of Robinson & Co. of San Francisco. Watson said that, in addition, about 700 volunteers were working in Los Angeles on a precinct-by-precinct basis.

SPORTS AS Hank Ives SEES IT

SPORTS SMORGASBORD

TAKE A MEMO MISS WATCHERMAKALLIT . . . Remind me to ask around town just why Darrell Evans, who signed last year with the Kansas City baseball organization, is still in town and playing for Jess Cox' All-Stars in the semi-pro circles. Could be that Darrell has a date with the draft board, but one thing for sure, he has a heck of a future in baseball.

THE MEGUIAR BROTHERS had a nice yarn on Champ Cartwright in their April issue of the Sports Mirror. Champ's Pasadena College quintet just completed a fabulous 26-5 season which seems about par for the Cartwright course. Lloyd Higgins and Ben Foster, two of his erstwhile players, seem to have a future in pro ball.

INCIDENTALLY, if you are thinking about your tickets for next season's Laker games, now is a darned good time to call: OR 3-1300 about them.

THAT WHIRLWIND THAT breezed through town was just the new Pasadena City College grid coaching tandem of Harvey Hyde and Myron Tarkanian. What a recruiting job those two fellows will do. Danny Ayala, Lancer replacement for Jerry Tarkanian at the cage controls is not letting any grass grow under his feet either.

EX-MONROVIA HIGH star Fair Hooker, is listed as starting split end on the Arizona State spring grid roster. After a brilliant frosh season Fair didn't fair (sorry about that) too well last season and only caught seven passes. By the way, one wonders why the name of Dave Buchanan is missing from the potential lineup.

IF THE IDEA OF SENDING up a pinch hitter every time the pitcher was due at bat became a reality, who in the world would the Dodgers assign to the task? They have enough problems getting eight guys that can hit on the field at one time.

THE LAKERS have fortified themselves with some players who should round out their depleted roster nicely. Billy Hewitt of USC, their number one draft choice, stands a good chance of landing a permanent spot in the Laker front court. Edgar Lacey, if he signs with the local club, would well be a "swingman" much like his former teammate at UCLA, Keith Erickson. Lacey has all the moves and defensive ability to play both guard and forward.

QUOTABLE QUOTE: "You can't believe Deacon's quickness and speed, even when you are playing next to him," says Merlin Olsen of Los Angeles defensive end Dave (Deacon) Jones. "It's really quite frustrating. You'll have a good shot at the ball carrier or passer when all of a sudden — WHAP! — Jones is sitting on him. I say to him 'David, will you please let someone else have a chance?'"

DO YOU KNOW HOW MANY Ram jerseys have been retired? None. The Bears lead the NFL in this department having retired the jerseys of Bronko Nagurski, George McAfee, Sid Luckman, Bill Hewitt, Bulldog Turner and Red

Grange. THE BRUINS have a couple of their annual eastern inter-sectional foes on this year's schedule, Pittsburgh and Penn State. Wouldn't it be more inviting to see maybe one team from the east and one from some other section like Nebraska, Georgia or TCU.

IT'S AMAZING HOW the local race tracks run the dogs in the first two races. When you get down to a \$2500 maiden race that has to be the bottom of the barrel. Yet the bettors keep chucking it in hoping to catch a big fat daily double. Maybe the little woman who plays the number game has the best chance after all.

Government Policies Cause Inflation

Who is to blame for inflation? The implication in many of the legislative proposals now before Congress is that most of the blame lies with private citizens. Government spokesmen warn business and labor to behave prudently in setting wages and prices. If they don't, they are threatened with wage and price controls. Travel spending by U.S. citizens is blamed for aggravating the gold crisis. Heavy tax increases are recommended because private citizens are guilty of spending too much money.

A distinguished economist, Mr. W. Allen Wallis, who is now president of the University of Rochester, places the blame for inflation where it belongs. "Inflation can be generated only by the government. Business firms, labor unions, or consumers with excessive market power can do many objectionable things that are contrary to the public interest; but . . . they cannot . . . cause inflation—or, for that matter, prevent it." Inflation is the direct result of government spending beyond the producing and taxpaying ability of the citizens.

Running A City

He looks and acts the role of machine politician, short, rotund, every inch authority and power, the Boss.

Democrats fear and court him; Republicans respect and revere him. The newspapers endorse him, businessmen support him, the voters love and elect him.

He is Richard J. Daley, Mayor of Chicago. Recently he became one of the most controversial figures on the national political scene with his dictum that arsonists were potential murderers and therefore should be shot dead in their tracks. The remark triggered massive dissent from some very aroused sources around the country, and so Daley declared that his city's police force should after all use the minimum force necessary to contain any future looting and arson in Chicago.

Those who know him well say Daley neither retreated in the face of public pressure nor cracked under the strain of criticism. Instead, they explain it was a neat ploy, deliberately putting him on both sides of the issue of how to respond to civic violence, thereby reasserting his leadership over virtually all of the electorate.

Daley normally bears the image of the last of the great machine politicians, ruthless and immensely powerful. He may, in fact, be both, but he is also something more: He is probably the best big-city mayor in the United States today.

No less a man than San Francisco's former Mayor George Christopher, himself one of the country's best post-war mayors, subscribes to such an assessment of Daley as a city administrator and a chief executive.

Recent riots notwithstanding, Daley understands the chemistry of the forces at work within a city. In addition, he is also a major national political figure. Forces of all potential Democratic nominees are bidding for his blessings, remembering well the decisive influence he brought to bear on the nomination of John Kennedy. But Daley remains powerful and respected primarily because he is a successful, realistic mayor.

In the wake of widespread recent rumors that Chicago might lose the Democratic National Convention to Houston or some other city for fear that Daley could not preserve the peace, the big little mayor was of no mind to let anyone think he was going soft.

Daley is not about to lose that convention if he can help it. He intends to rule it with an iron hand if possible and once again get a little exercise as kingmaker — all a political sideline to the job he loves best, running the city of Chicago.

Can't Have It Both Ways

Another warning that this nation simply cannot have guns and butter in the large helpings we have given and promised has come from the president of the world's largest bank.

Rudolph A. Peterson, San Francisco, head of the Bank of America, added his voice to that of William M. Martin, chairman of the Federal Reserve Board, in a Detroit speech recently in which he warned that the government must "come to the realization that, strong and powerful as we are, we cannot do everything at once without courting disaster."

Specifically, Peterson said, "we cannot fight what has become a major war, serve as the world's banker, rebuild our cities, cure environmental problems, render massive aid to foreign nations, dramatically upgrade the quality of our education, increase welfare programs, and solve the racial problems all at once. Strong as our economy is, it simply is not that strong."

As Peterson observed, and many others have felt, "if we are not to face an additional crisis of shattered expectations, we need a public facing up to this fact from our government, and a clear statement of national priorities."

A clear statement of realistic national priorities would be a pretty sound platform on which a presidential candidate could run.

Right to No

The public's right to know is a matter of considerable and heated argument today. We should know more about what Vietnam is all about; more about this, more about that. A credibility gap can undo powerful political leaders.

But the right to know has its limits; and it would seem that the Federal Trade Commission has exceeded those limits on a number of occasions. A case in point is the FTC's actions against a group of Washington secretarial and modeling schools, charging misrepresentations in their advertising.

As accuser, jury and judge, the FTC has immense powers. Nevertheless, during the course of its actions against the schools, the Commission issued press releases recording its progress, obviously a one-sided buildup of its case. Now, there is a great hue and cry against certain press and broadcast activities in court cases under pre-trial investigation as being inimical to justice, yet when the schools obtained a federal district court order directing the FTC to cease issuance of such releases, an appeals court revised the finding.

This is disturbing. The public has a right to know; but it also should have the right to say "No" to a federal agency's buildup of its own case—especially when the agency will try the case itself, render the verdict, and inflict the penalty.

FREEDOM AT ANY PRICE

by
DR. HENRY V. WITTY

Jon Stuart Mill once said: "War is an ugly thing, but not the ugliest of things. The decayed and degraded state of moral and patriotic feeling which thinks nothing is worse than a war, is worse. A man who has nothing which he cares about more than his personal safety is a miserable creature who has no chance of being free unless made and kept so by the exertions of better men than himself."

President Johnson's decision to sidestep re-election has added to the already staggering load of serious problems facing our country between now and November. We find ourselves confronted with a "lame duck" President whose effective strength has surely diminished in the eyes of the enemy. And this has come right at the crucial moment when we most need strength in order to successfully negotiate with the enemy. To make matters worse, a confusion of leadership within the Democratic party in power and a bewildered Congress.

Why did Hanoi accept the "olive branch" so quickly after President Johnson's announcement of howling out? We must not fail to remember that the same Hanoi has turned down no less than 38 such similar offers in the past.

Perhaps Congressman James Utt has given us the answer when he says: "There are two possible reasons. One is that the enemy is following the procedure of military tactics laid down by the Communists to the effect that, prior to launching a massive offensive, one should deceive his opponent by gestures of peace. The second reason would be because they have misjudged the President's address and believe that the American people are so sick of war that they have mandated the President to accept peace at any price, and that Hanoi feels that our country would be negotiating from a posture of weakness rather than strength. Either reason bodes no good for America."

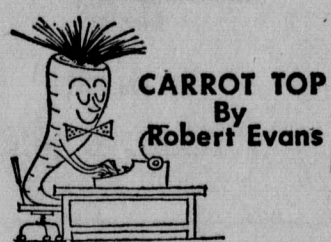

Of course, there is the possibility that the North Vietnam Communists are playing for a much needed breathing spell to be obtained by a limited period of cease-fire negotiations. This would be just the ticket to allow them time to regroup their forces, move supplies to strategic areas and acquire more firepower and Russian-built equipment.

Let us never forget that after the armistice negotiations were started with North Korea, from July 13, 1951, to July 27, 1953, we had 12,700 additional military personnel killed and 49,501 wounded. This type of negotiation is bathed in human blood and misery and should not be tolerated during any peace talks with Hanoi.

Then there is always the possibility (Johnson being the political manipulator he is known to be) that the negotiations could be pre-arranged to fall through with a subsequent declaration of war and a successful draft-Johnson-for-President movement because, after all, who would want to change horses in mid-stream!

To say the least, much will happen between now and election time, but this much is sure: In the words of Congressman Utt, "If we negotiate now and surrender, and accept the Viet Cong into the household of nations, it will be a signal to the world that aggression is a profitable pastime, and may be engaged in with impunity and immunity, until the entire world is absorbed by the International Communist Conspiracy."

Few of us relish war and most of us recognize it as an ugly thing. However, if we allow ourselves to knuckle under to the Communists in Southeast Asia and to the boisterous campus brigades and draft card burners (with their opportunistic political leaders) at home, then we may very well fit ourselves into the historic niche of "a miserable creature who had no chance of being free unless made and kept so by the exertions of better men than himself."

Of course we must mention the forthcoming Fourth. Now Trevor Toozie is the committee chairman and he is really beating the brush to come up with a Fourth of July that will long be remembered.

Plans as I hear them are to start off the day with a Pancake Breakfast, then following the breakfast will come the parade, and this one is going to be a honey, maybe a band and a lot of well planned floats and amusement entries.

The parade will end up at Sierra Vista Park and from here it is planned to have an A.A.U. sponsored race up the Mt. Wilson Trail, and scheduled that it will end at the park where all will have an opportunity to see the finish.

All day long will be planned for entertainment with game booths, snack booths for young and old all through the afternoon, and the evening will end up with a teenage dance. That is the way the plans are shaping up. If you are interested in participating, then the ones to see are Trevor Toozie, 355-6279; Annette Stevens, 355-1794, or Boyd Smith, 355-7135.

After talking with the gossip neighbor, the woman burst into her husband's boudoir . . . Aha, you miserable wretch! Now I know everything! . . . Oh, yeah?" responded the husband, "When was the War of 1812?" . . . I'll bet that one went over like a lead balloon.

Now comes the time we must close up the column for the week and in doing so I leave you, with this observation, and we do ask you to be careful in future planning . . .

"By use, not ownership! is the rallying cry of the Age of Consumption. The idea is not so radical as a first-blush consideration of it may suggest . . .

"Installment selling, extended warranties, and growth of leasing have already led us far along the road of divorcing the U.S. Public from ownership. . . . Do be extremely careful in all you do and plan for the next twelve months. You will be happy that you did, I hope, I hope, I hope.

Out of the Cobwebs

Sixty Years Ago:
May 15, 1908

Among the recent arrivals at Camp Orchard, better known as the "half-way house," are Miss Jensen and Miss Stuart of Los Angeles and Miss Langford of Hollywood.

Mrs. Willis H. Goodyear of Signal Hill, Long Beach, accompanied by her son, Jay, spent the week here at their cottage on Palm Ave.

The Mt. Wilson and Pasadena Toll Road Co. have leased from W. P. Gale for a term of three years the property at the foot of the Mt. Wilson Trail. This property has been leased by the same company for the past year and includes the cottage at the foot of the trail, together with the barns and land as far east as the head of Mountain Trail Ave.

Complimentary to Miss Bertha L. Corbett, the celebrated "Sunbonnet Babies" artists, Mrs. J. A. Osgood entertained at luncheon on Monday. The place cards

were artistically decorated purple wisteria and were from the clever brush of Miss Ghertrude Cook. Besides the guest of honor, those who partook of Mrs. Osgood's hospitality were Mmes. Torrance, Gorglum, Camp and F. W. Force.

Fifteen miles on the level in one minute less time than it took him to cover the 7.1 miles up Mt. Wilson was the performance of Joey King at San Francisco last Saturday. The event was the marathon race in the Pacific coast try-out for the American team to go to the Olympic Games at London. The little soldier had almost as much of a walkway there as he did in the race at Sierra Madre for the Police Gazette medal. Comparison of his record of 1:24:29-1/5 for the 15 miles, as against 1:25:30 for the ascent of Mt. Wilson and 2:11:35 for the round trip, gives a good idea of the difficulties of the trail for the average long distance runner.

Cruise the finest to Mexico fun

Sail the world's newest cruise ship, the "Princess Italia," on a sunny, fun-filled voyage from Los Angeles to La Paz, Puerto Vallarta, Mazatlan, and Acapulco. Your ship is your hotel — fully stabilized, air-conditioned, with swim pool, lounges, night club, cinema, TV and music in every room. Dine regally, play on the decks, bronze in the sun. Enjoy 14 days living the good life. Princess Cruises leave every two weeks. Call for a free folder.

SAFETY INFORMATION: The Princess "Italia," registered in Italy, meets International Safety Standards for new ships developed in 1960, and meets the 1966 fire safety requirements.
